

Chest Drive Opens; Solicitations Begin

Personal solicitations will begin on a large scale today for the Campus Chest Drive with special events occurring throughout the week, Bob Hosfeldt, drive chairman, announced today.

Solicitation, which some groups were able to start early last week, will continue throughout this week.

Box lunch socials are scheduled to begin tomorrow noon and continue daily during the drive. Sorority girls will furnish lunches for two, attractively boxed and with the girl's name inside.

Fraternity men will bid on them without knowing whose boxes they will buy (—it says here). The social has been arranged with the Greeks, and fraternities and sororities are evenly paired according to active membership. The committee reports that expectations point to 100 per cent participation from the Greeks.

On the committee arranging the box lunch social are Jan Battle, Linda Coleman, and Karen Weiss.

'Dope' Available

Team Captains for the Campus Chest Drive are urged to pick up their "dope" sheets from the Activities Office, Room 114, immediately. The sheets are necessary to answer questions and give information concerning the drive.

A faculty auction will be held at noon Wednesday, and the "Talent-thon" will start in the afternoon.

Members of the faculty will be sold in pairs to the highest bidders. The faculty members will have to hash at the houses of various campus living groups for the evening meal. The odds have it that Deans Helen Dimmick and Stanley Benz will bring in the highest bids for Campus Chest, according to the Chest committee. Jan Poindexter is arranging the auction.

The "Talent-thon," a new idea on campus, will begin in Morris Dailey Auditorium at 3 p.m. Wednesday and last until 9 p.m., with an hour and a half break between 5-6:30 p.m.

Outstanding campus talent will appear, plus some acts from the College of the Pacific and Santa Clara University, and top talent from the San Jose area. Admission is 25 cents, and students may stay as long as they like. The Associated Women Students will sell popcorn and cokes inside.

Working on the "Talent-thon" committee are Bobbie D'Amico, Dorinda Jones, and Sandy King.

A thermometer, showing progress toward the drive's \$10,000 goal, will be put up in the Outer Quad.

"This will be the last year Campus Chest will be held on campus if it fails to reach its goal for the third time in the last three years," according to Hosfeldt.

The Campus Chest was set up three years ago to aid the five organizations which had conducted separate drives, none of which were successful because of competition with each other.

The five organizations being aided by Campus Chest are the American Cancer Society, the American Heart Association, the American Red Cross, the Community Chest, and World University Service.

Hungarian Relief, much discussed on campus, will receive 20 per cent of the total Campus Chest achievement, announced by Hosfeldt, following a special meeting of the Chest Committee last week.

Largest single source of revenue for the drive will be the personal solicitations campaign in which every member on campus is expected to be contacted from his address in the files in the activity office. If every student could give \$1, the drive would make its quota on the basis of San Jose State's total enrollment of nearly 11,000 students.

Hosfeldt is general chairman of the drive; Jan Saxton is secretary; Don Smith, treasurer; Wiley Schmidt, special events; Nancy Strickler, solicitations; and Nancy Hanson and Nancy English, publicity.

Thirteen Initiated Into Service Frat

Alpha Phi Omega, service fraternity, initiated 13 members Saturday night.

The initiation was held at the College Chapel.

Members initiated were Mike Hermosillo, Tom Lambert, Bill Gordon, Bob Levin, Fallah Hatim, Douglas Turner, Ken Strong, John Silliman, Calvin Calloway, Jim Freeze, Bob Carroll, Mike Bozzo and Vernon Connolly.

CAMPUS CHEST—Campus Chest drive chairman Bob Hosfeldt, fourth from left, shows the drive thermometer to some of his committee chairman. From left to right are Nancy English, publicity; Don Smith, treasurer; Wiley Schmidt, special events; Hosfeldt; and Jan Saxton, secretary. —Photo by Tyler

Centennial Issue of Key Now on Sale on Campus

The Centennial issue of the student-faculty address and telephone directory, Sparta Key, will be on sale today in the Inner Quad and by the Home Economics Building, from 8:30 a.m. to 3:30 p.m.

The Key, published by the Public Relations Committee, will be on sale until Christmas vacation. The directory is printed in special Centennial colors throughout.

The cover shows the Centennial seal in gold shades. The key is being sold early so students and faculty may use it for a reference when mailing Christmas cards.

Home addresses of all students

are included. All living groups, both fraternal and boarding also are included.

This 140 page book contains the names, addresses and telephone numbers of the IFC and Panhellenic presidents.

Yell Aspirants Vie Tomorrow

Tryouts for yell leader positions have been changed from Wednesday night to tomorrow afternoon, according to Gary Waller, Rally Committee chairman. The change was due to a conflict of events.

Men who plan to try for one of the positions have been asked by Waller to be in the Student Union at 3:30 o'clock tomorrow. Each candidate will be allowed to perform his routine twice. Waller expects approximately 25 hopefuls at the tryouts.

Selecting the four regular yell leaders and the two alternates will be the Rally Committee, the Student Council and the four class presidents. The new yell leader, Brent Heisinger, was selected last week by the Executive Council of the Rally Committee.

Men who enter the competition should leave their names with the Student Union receptionist by noon tomorrow, Waller said. He also said that men entering the competition must be on a clear academic standing and must be willing to put in approximately two hours work a week.

Teachers Plan Science Talk

"Science in the High Schools" will be the topic of a discussion by Frank Fiscalini, superintendent of San Jose's eastside schools, at Thursday evening's meeting of the SJS branch of the National Science Teachers Association.

The meeting will start at 7:30 o'clock in S22, according to Philip Gordon, president of the local organization. Anyone is welcome to attend, he said.

Coffee and doughnuts will be served following Fiscalini's talk.

CITIZENS SET FOR SHOCK

HOLLYWOOD —(UP)—The citizens of Gilmanton, N.H., who were upset by that best-selling novel about their town, "Peyton Place," can steel themselves for another blow: The movie version will be almost as frank as the book.

Student Council Opens Doors For Mass Meeting at 3:30 p.m.

Health Office Readies Shots For Two Days

Vaccinations for polio will be given tomorrow, to persons with receipts up to 750, in the Health Office between 2 and 4 p.m., according to Dr. Thomas J. Gray, health officer.

The Salk vaccine vaccinations also will be given this Thursday to persons with receipts up to 1000. These will be the final two days that the injections will be given before Christmas vacation.

When these 1000 persons return from the vacation period they will be given their second injection.

A limited registration period will be conducted Dec. 17-19 to add 449 persons to the list of 551 who will not be able to receive their initial shot until the last two weeks of January.

During the original registration period last month 1551 students, faculty members and college employees signed up for the shots.

Dr. Gray disclosed that the complete polio vaccination program consists of three shots. Since the third shot must follow the second by at least seven months, it won't be given on campus until next fall and a registration period for the final shot won't be held until that time.

Dr. Gray said he felt it would be better to give 1000 persons their first two vaccinations before starting in on the second group of 1000 because of the vacation.

"Since the second shot must follow the first by between four and six weeks," Dr. Gray said, "it will work out better if we give the first group of 1000 their second shot immediately after the vacation and before giving the second group of 1000 their first shot."

The second 1000 persons will receive their second shot during the first two weeks of February, according to Dr. Gray.

Red Tape Missing For Ticket Sales

There will be no red tape involved when students attempt to purchase their tickets to the 1957 edition of Revelries, "Red Tape."

The tickets go on sale today in the Student Affairs Business Office for the production which runs Jan. 11, 12, 17, 18 and 19 in Morris Dailey Auditorium. Admission prices are \$1 for general admission and 75 cents for students.

Students Warned

ASB President Ray Freeman today warned San Jose State students to be "very discriminate" in their dealings with salesmen on campus, following a rash of complaints concerning magazine sales.

"Only campus groups are allowed to sell on the campus itself," Freeman cautioned. Commercial sales are illegal.

Frosh Will Wage Attendance Battle

The Freshmen Class will challenge all other classes to beat their attendance at the Open Council meeting today at 3:30 p.m. in Room 55, according to Nan Barattini, publicity chairman.

The Frosh are also preparing a food basket to be given to a needy family at Christmas. All class members are asked to bring a can of food to the Dec. 17 meeting or to help by donating 25 cents for the purchase of a turkey. Carol Young is chairman of the event.

SOPHS PLAN PARTY

Sophomore Class will meet today at 3:30 in Room 53 to discuss plans for a Christmas party on Dec. 17. The party will include active members from each class, according to Bruce Carter, soph president.

A volleyball game between the sophomores and freshmen has been cancelled. The game originally was scheduled for Dec. 17. Reports will be heard by the class on progress of planned activities for next semester.

ATTEND COUNCIL

The Junior Class will hold a short business meeting this afternoon at 3:30 in Room 17, according to Chuck Rigdon, president. The class will then attend the "Open" Student Council meeting in Room 55.

Juniors will discuss a Christmas Party to be held Monday Dec. 17 with Freshman, Sophomore and Senior Council members.

NO SENIOR MEETING

The Senior Class will not hold a regular business meeting today. Members of the Class should go directly to the "open" meeting of the Student Council, according to Dr. Rocco G. Pisano, Senior Class adviser.

The Class may hold a business meeting later in the week because of the large amount of new business, said Dr. Pisano.

Little Theater Location For Business Meeting

Student Council will throw open its doors today for an "open" meeting in Room 55 at 3:30 p.m. A capacity crowd is expected to attend.

The Council, arranged on the stage of the Little Theater will go through a full business meeting to acquaint the students with the workings of their government.

Constitutionally, all Council meetings are open to the public.

Crowded facilities in the Student Union, the Council's regular meeting place, prompted the decision to hold the public meeting. A similar session last semester attracted a large audience.

Early Pledging May Set New Blood Record

With early pledging setting new records, members of San Jose State's Blood Drive Committee expressed hope Friday that this year's All-Campus Blood Drive may establish a new high in the number of pints contributed by SJS students.

All students who donate in the drive, which will be held tomorrow and Wednesday, will automatically become members of the San Jose State Blood Credit Club.

This membership will entitle them and all members of their immediate families to draw blood free for one year.

Tomorrow from 9 a.m. to 12:30 p.m. and Wednesday from 2 to 5 p.m. are the times set for student donations. Red Cross personnel and equipment will be on hand to take care of the donors.

Ninety days is required between donations, and donors must be at least 18. Those under 21 must have waivers signed by their parents.

The drive is being co-sponsored by the Blood Drive Committee and the campus unit of the Air Force ROTC. AFROTC cadets will be given ribbons after their first donations and bronze or silver stars for subsequent donations.

At stake again in the drive is the Seliah Periera Memorial Trophy. Sponsored by the San Jose Elks Club and represented by a plaque which remains at the winning school, this perpetual trophy is awarded annually to the California college or university completing the most effective blood recruitment program.

It was first awarded to San Jose State in 1949, and it has been retained by State ever since.

The Blood Drive Committee is under the chairmanship of Maureen Larrigan. Other executives are Diane Harlow, publicity; Corinne Borello and Liz Heath, secretaries; Cathy Westermann, posters; Elma Van Fossen, historian.

Annual 'Melodies' Slated for March

The annual AWS March Melodies will be held this year on March 6, 1957, during Women's Week, according to Dorothy Cook, chairman. The event is open to all women's living groups.

Each group is allowed ten minutes for the presentation of their musical selection. Titles of the musical numbers to be used by each group should be turned in to Dean Helen Dimmick in Room 114 as soon as possible. The entries are being accepted on a first-come first-serve basis to avoid duplication.

La Torre To Buy Parade Negatives

Ron Gilpatrick, editor of the Centennial Edition of La Torre, today extended an offer to purchase any color transparencies of the Homecoming Parade.

Gilpatrick made the announcement in view of the shortage of photographs covering the event. The situation was termed "desperate" by Gilpatrick. Any transparencies may be brought to the La Torre Office in the Journalism Building.

Nursing Facilities Visited by Officials

Representatives from Arizona State College, Fresno State College and the University of Nevada recently visited San Jose State to study the division of nursing here, Miss Grace Staple, chairman, reported this week.

These schools plan to establish nursing programs similar to the one at SJS, she said.

COUNCIL'S CHRISTMAS—Student Council members Joan Healy, Liz Bell and Al Walburg stock up with supplies which will be put into the Council's Christmas basket for a needy family. ASB

Open Council Meet Fine; More Needed

Student Council will hold an open meeting in the Little Theater this afternoon at 3:30 o'clock. This is the chance that the critics and the interested have been waiting for; the chance to observe student government in action.

A similar meeting was held last semester, and apparently was a success. It should be noted, though, that one of the reasons the meeting is to be held in the Little Theater rather than Morris Dailey Auditorium is for appearance sake.

As one student body officer put it, "If enough students attend to fill the smaller auditorium, it will appear as if the meeting were successful. On the other hand, the same number in Morris Dailey would look like only a handful, and the meeting might be called a failure."

The officer needn't worry about such an occurrence. Indeed, the meeting will be a success if the Little Theater is filled. Such an audience of between 100 and 200 actually would be a fine representative turnout of the student body as a whole.

Those in attendance should pause before reaching any quick decisions on the outcome of the meeting, or before passing judgment on the Council's actions. It must be remembered that this meeting will be taken out of context, as it were.

Before a sound understanding of the Council and its actions can be reached, more than one session should be attended. Due to the cramped conditions in the present Council chamber in the Student Union, we hope our student representatives will take this as a cue to schedule more open meetings in the future.

Shop Board Revision?

Dear Thrust and Parry:

Last Tuesday, the Student Court, as part of its work of interpreting and suggesting revisions for the ASB by-laws, began discussion of the following change in Article V, Section 15. This concerns the Spartan Shop Board. At present this section reads as follows:

"Clause 1—The Spartan Shop Board shall supervise the efficient operation of the Spartan Bookstore and Spartan Fountain.

"Clause 2—The Spartan Shop Board shall consist of twelve (12) members, as follows: four (4) students appointed annually at the beginning of the Fall Semester by the Student Council; and eight (8) faculty members appointed by the President of the College.

"Clause 3—The Board shall be responsible for the protection of the Student Union Building, in cooperation with the Student Union Board, as long as the Spartan Fountain shall be in the Student Union Building. The Board shall keep accurate financial condition of the Spartan Fountain and Bookstore to the Student Council and President of the College."

This gives the faculty members a two-to-one majority in running our Spartan Shop. This makes the Spartan Shop student owned, but faculty controlled, not student owned and controlled, as it should be. We are paying our money into the hands of the faculty, to do with as they see fit, with no possible control on our part.

Here is the proposed revision being discussed by the court:

"Clause 1—The Spartan Shop Board shall supervise the operation of the Spartan Bookstore and Spartan Fountain.

"Clause 2—The Spartan Shop Board shall consist of sixteen (16) members as follows: eight (8) student members, including the ASB President, ASB Treasurer, a justice from the Student Court, and five (5) students appointed annually at the beginning of the Fall Semester by the Student Council; and eight (8) faculty members appointed by the President of the College. The manager of the Spartan Shop shall be a member, ex-officio, without vote. The board shall not convene unless at least four (4) students and four (4) faculty members are present.

"Clause 3—The Board shall be

FAIR AND COOLER

By CLARK BIGGS

"My Fair Lady" has worked to close the gap between Broadway and West Coast jazz. The "Shelley Manne and His Friends, Volume 2" recording of the songs from the hit musical is the top album to be released in the last year.

It will prove to be popular with jazz enthusiasts, and popular music fans, as well, and not just a fad as was "Man With the Golden Arm."

Andre Previn proves himself to be all everyone has said of him with his progressive interpretation of the numbers from the show hit of the year, Shelley Manne on drums and Leroy Vinnegar on bass are good and add to the recording but, in actuality, it is all Previn. His treatment of the songs is enough to satisfy any taste which appreciates modern music.

More should try listening to music of this type and compare it with the traditional Coop favorites "Love Me Tender" and "Houn Dog."

The treatment of "Ascot Gavotte" and "Isn't It Lovely" and the other songs is different and shows real imagination. The album establishes Previn as one of the top jazz pianists to add to his already established position as a concert pianist, composer, arranger, and musical director.

Four Freshman fans are welcoming the release of "Freshman Favorites." The inclusion of most of their real top hits should satisfy LP fans desire for the early 78 and 45 rpm hits.

"The Australian Jazz Quartet-Quintet" has been released recently, and for those who enjoyed the other Bethlehem album, this will provide additional music on the same line.

Usage of a bassoon and flutes by this group sounds as if they and their listeners were straining to be different for the sake of being different.

Here and There . . . With Claire

By FRED CLAIRE

San Jose State isn't the only college which has students interested in helping the Hungarian people.

A look at this week's incoming publications shows several colleges including Brigham Young, Western Michigan and Kent State, have started drives to bring Hungarian students to their institutions.

The desire to help these people seems to be a catching thing, and a good thing. There are some 12,000 Hungarian students languishing in refugee camps in Austria. The least any of us can do is to support the drive at SJS to help these students.

'COOKIE' GETS HAIRCUT

Some college students really get carried away with football spirit. Take the case of Warren "Cookie" Kimble, head cheerleader and Senior Class president at Syracuse University.

Poor "Cookie" was just taking a quiet walk recently, several days before Syracuse's big game with Colgate, and all of a sudden he was ambushed by a few jolly fellows, apparently from Colgate.

The boys threw him in their car, drove away and then returned the Syracuse student prey to his fraternity house. During the car trip, however, the fellows showed their school spirit by giving "Cookie" a haircut—forming a nicely shaped "C" on his head, supposedly standing for Colgate.

Mr. Kimble doesn't seem to mind the unusual haircut too much. He claims the "C" stands for the Cotton Bowl, where Syracuse will meet Texas Christian University Jan. 1.

ELVIS IN EFFIGY

Apparently football coaches aren't the only people who become the victims of effigy hangings.

The Daily Universe of Brigham Young ran a picture the other day showing an effigy of Elvis Presley hanging from a clock hand on a downtown building.

UNIQUE THEME

Speaking of Elvis, which every-

one seems to be doing, he recently was the main subject of a theme performed by the University of New Mexico's 94-piece marching band.

The theme was titled "A Salute to Elvis Presley."

COP's Dean of Men Joins Effigy Ranks

STOCKTON—(UP)—An effigy of Dean of Men Edward Betz was found hanging near the College of Pacific Administration Building today after a committee he headed suspended a fraternity pledge class for its part in the theft of a 250 pound school bell.

Dr. Betz, who failed to see the crudely made dummy while en route to his office this morning, said only:

"Now I've joined the ranks of Van Sweet (COP basketball coach hanged in effigy last year) and California coach Pappy Waldorf."

Five members of the Archania Social Fraternity were arrested in Gridley, Calif., Saturday after they took a 250 pound bell from the belfry of an elementary school near the Butte County school.

They were released on \$50 bail each after they had replaced the bell under the supervision of Butte County Deputy sheriffs. They face arraignment on petty theft charges in Gridley Judicial Court.

Under the suspension, they will be allowed to continue in school but can not become members of the fraternity until the Spring Semester.

Interviews Slated

Representatives from Washington Union High School in Centerville will be on campus Thursday to interview teaching candidates who are interested in placement in that area. Both candidates with special secondary and general secondary credentials will be interviewed. Appointments may be made at the Placement Office.

Art Department To Sell Yule Cards

Original homemade Christmas cards are now on sale in the Art Department. The sale is a project of Delta Phi Delta, national art fraternity, and Alpha Gamma, social art fraternity.

An initiation and banquet were held Wednesday by Delta Phi Delta members. Speaker at the

banquet, held at Mariani's Restaurant, was Robert Coleman, professor of art.

The twelve initiates are Myron Ahlstrom, Jim Burpee, Vern Griffith, Dianne Harris, Pat Jordan, Bill Kogura, Dave Pfost, Aphra Poelman, Nancy Rogers, Clara Sargent, Bettejoan Scott and Charlotte Truitt.

EAT, DRINK, AND BE MARRIED

On a recent tour of seven million American colleges, I was struck by two outstanding facts: first, the great number of students who smoke Philip Morris; and second, the great number of students who are married.

The first phenomenon—the vast multitude of Philip Morris smokers—comes as no surprise, for what could be more intelligent than to smoke Philip Morris? After all, pleasure is what you smoke for, and pleasure is what Philip Morris delivers. Try one. Light up and see for yourself. . . . Or, if you like, don't light up. Just take a Philip Morris, unlighted, and puff a couple of times. Get that wonderful flavor? You bet you do! Even without lighting you can taste Philip Morris's fine natural tobacco. Also, you can make your package of Philip Morris last practically forever.

No, I say, it was not the great number of Philip Morris smokers that astounded me; it was the great number of married students. Latest statistics show that at some coeducational colleges, the proportion of married undergraduates runs as high as twenty per cent! And, what is even more startling, fully one-quarter of these marriages have been blessed with issue!

Now, to the young campus couple who are parents for the first time, the baby is likely to be a source of considerable worry. Therefore, let me devote today's column to a few helpful hints on the care of babies.

First of all, we will take up the matter of diet. In the past, babies were raised largely on table scraps. This, however, was outlawed by the Smoot-Hawley Act, and today babies are fed a scientific formula consisting of dextrose, maltose, distilled water, evaporated milk, and a twist of lemon peel.

After eating, the baby tends to grow sleepy. A lullaby is very useful to help it fall asleep. In case you don't know any lullabies, make one up. For example:

Go to sleep, my little infant,
Goo-goo moo-moo poo-poo binfant.

A baby sleeps best on its stomach, so place it that way in its crib. Then to make sure it will not turn itself over during the night, lay a soft but fairly heavy object on its back—another baby, for instance.

So, as you see, raising a baby is no great problem. All you need is a little patience and a lot of love. Also diapers, rompers, soakers, crib, mattress, sheets, bumpers, blankets, high chair, diapers, talcum, baby oil, fish liver oil, paregoric, diapers, safety pins, cotton, cotton covered toothpicks, bottles, diapers, nipples, diapers, bottle brushes, booties, diapers, nighties, wrappers, diapers, rattles, teething rings, pacifiers, diapers, and unlimited funds.

© Max Shulman, 1956

When Baby is fast asleep—the little angel!—why not relax and give yourself a treat? With Philip Morris, of course! Made in long size and regular by the sponsors of this column.

Spartan Athletes Tabbed for Honors

Members of San Jose State football, soccer and water polo teams have been honored for outstanding performances during the recently completed seasons.

The Spartans' two grid victims—Drake and Cal Poly—were impressed by the work of five footballers.

Drake, beaten, 26-7, in the season opener, named end Mel Powell and tackle Jim Hughes to its all-opponent squad. The Cal Poly Mustangs selected SJS end Bob Dunivant, guard Stan Keith and quarterback Bob Reinhart as among the best they saw during the year.

Water poloists Art Lambert and Lee Walton were honored as members of the Northern California Water Polo Association second team. Lambert and Walton were Spartan co-captains for the season.

Tony Critelli, three-time selection of the Northern California Intercollegiate Soccer Association for all-league honors, will captain the association's all-stars when they battle league champion USF Saturday in San Francisco. Gerhard Wenzel of the Spartans also made the all-star team.

Art Powell Wins Pass Catch Title

Sophomore Halfback
Catches 40 Passes
To Take NCAA Title

Art Powell became the first San Jose State gridder to win a national statistical crown by nabbing 40 passes as the Spartans' aerial game helped the club equal or better nine school records.

Sophomore halfback Powell bettered the school season and single game marks, while teammate Bob Reinhart set a single game completion record (16 against San Diego State) and helped tie or surpass six other team passing marks.

Spartan season statistics:

Cold Season Here

The season of the common cold is at hand. Americans have 400,000,000 of them a year. It is one of the greatest nuisances plaguing mankind.

Science editor Delos Smith has prepared two unusually interesting dispatches on this subject, including a study of 10 top doctors—and how they treat their own colds.

OLYMPIC SPORTSMANSHIP—Lusty boos were given Russia's Valentine Prokopov (swimming), when he butted Hungary's Ervin Zador during the Olympic Games water polo finals, causing the event to be cut short. Hungary was leading, 4-0, when Prokopov "broke up" the match. Most of the Hungarian Olympic team already has announced they will not return to their homeland.

20th Novice Boxing Show on Thursday

By DON BECKER

The 20th annual Novice Boxing Tournament, San Jose State's finest intramural show, begins Thursday with an as yet unknown number of boxers competing for the 22 crowns. Coach Julie Menendez, in charge of the event, said that there would be no official entries until after weigh-in ceremonies have been completed. Weigh-ins will be held from 9 a.m. to 5 p.m. Wednesday.

Only after the completion of the weigh-ins, will Menendez know how many entries will be vying in the various weight brackets of the two divisions.

'Buck' Shaw Set To Attend Grid Banquet

Buck Shaw, coach of the Air Force Academy and head coach of the West Team in the East-West Shrine All-Star game will appear at the annual Spar-Ten Club football awards banquet to be held Wednesday night at Scottish Rite Temple.

Thus Shaw becomes the second member of the West staff to announce that he will attend the banquet.

Retiring San Jose State grid mentor Bob Bronzan was named as an assistant to Shaw last week. The banquet will mark the first public appearance of new SJS coach, Bob Titchenal.

Other coaches who said they will attend include Chuck Taylor of Stanford, Len Casanova of Oregon and Pappy Waldorf of California.

The dinner will honor outstanding players on the 1956 squad as well as Bronzan.

Awards will be given to the most valuable back, most valuable lineman, most improved player, most inspirational player and the player who contributed the most to the team.

Previous winners of the latter award were Larry Matthews in 1953, Tom Louderbach in 1954 and Tony Teresa last year.

Two special awards also will be given. The "Mr. Pass Protector" trophy will go to the top player in that department and the "Mr. Downfield" award will go to the top downfield blocker.

Previous winners of the pass protector title were Jack Adams in 1955 and Tom Louderbach in 1954.

The downfield blocking honor was awarded to Charles Hardy in 1954 and Jim Hughes last year.

Yearlings Can Even Mark With Victory Over Preps

Attempting to even their season record at two wins and two defeats, the San Jose State Freshmen cagers take on Bellarmine Prep this afternoon in Spartan Gym.

Tipoff time is scheduled for 4:30 o'clock.

The Bells come into Spartan Gym today with a string of 42 straight victories over high school opposition. The last time Bellarmine was defeated by a prep quintet was in the opening game of the 1954 when it was downed by St. Joseph's of Alameda.

Against freshmen teams, however, the charges of Mike Pellino have not been so successful. The Bells were beaten by Stanford, 47-40, and Santa Clara, 37-36, while defeating SJS, 61-59, in overtime last year. This season, Santa Clara's highly regarded yearlings made up for several humiliations at the hands of the preps by registering a 63-34 win over the Bells.

Gone from the powerful Bell team of last year are four-fifths of the starting line up including center Ralph Brandt, an all-American high school pick, who was instrumental in beating SJS last year with a field goal in the last three seconds of the overtime period.

Pellino rates this team as weaker in ability than last year's edition, but feels that they are sharper mentally and more able to grasp his defensive assignments. In defeating Santa Clara High, the Bells employed a three-man zone with two men playing man-to-man.

Leading scorer for the Bells is guard Mike "Babe" Filice, who brings a 19-point per game average into the contest. Filice is the lone returning starter from last year.

Other Bell starters include Malcolm Love, Mike Ryan, Ron Schwalbe and John Rogers. The

California's 14-0 grid shutout over Pittsburgh this season marked the first time the Bears have held an opponent scoreless since they whitewashed San Jose State, 45-0 in 1954.

The Novice tourney long has been considered a spawning ground for future varsity boxers. While only a few of the winners in the Novice tournament are able to step up to the varsity the same year they compete in the Novice, it has happened before.

Jack Coolidge won the 165-pound junior division crown last year and went on to step into a starting berth on the varsity. Coolidge, by the way, gave Roger Rouse, of Idaho State and the United States' representative in the Olympics, a real battle in the PCT's last year. He won the first round from Rouse by a wide margin but tired in the third canto and was kayoed.

Many others have started their collegiate careers in the Novice. Dick Bender, two-time PCI champ and San Jose Hall of Famer, was whipped in his first try in the junior division. He went on to make the varsity that same year, however.

Opera Workshop To Hold Program

Members of the Opera Workshop class will present a vocal program for the Survey of Music Literature Class tomorrow at 11:30 a.m. in the Concert Hall of the Music Building. The vocalists are students of Miss Maurine

Thompson, associate professor of music.

Mary Ann Hunter, soprano, will sing "Love Has Eyes" by Bishop. "There is a Lady" will be sung by Robert Ledum, baritone. Sheridan Schroeter, contralto soloist and sophomore music major, will sing Haydn's "My Mother Bids Me Blind My Hair." Theodore Ashizawa, baritone, will sing "Phillis has such Charming Graces" by Young.

"I Know that my Redeemer Liveth" will be sung by Barbara Wells and "How Beautiful are the Feet" will be sung by Sandra King, soprano. Both numbers are from the "Messiah" by Handel.

Bonnie Boline, contralto, will sing "The Spirit's Song" by Haydn and the aria "Adieu, Forests" from "Jeanne d'Arc" by Tschai-kowsky. A group of four sopranos and two contraltos will sing two Mozart numbers, "Aprite, Presto" from "Le Nozze di Figaro" and "Before the Gates We Once Did Meet You" from "The Magic Flute." Soloists are Dorinda Jones, Claudia Brown, Joan Clifford and Mary Ann Hunter, sopranos; and contraltos Sheridan Schroeter and Grace Crofts.

Two Mozart numbers and one from "Rigoletto" by Verdi will be sung by a chorus composed of Sandra King, Claudia Brown, Joan Clifford, Sheridan Schroeter, Grace Crofts, Carol Berscheid, William Ghent, James Parris, Daryl Thompson, Robert Ledum, Gerald Manes, and West Davis.

LIKELY SUCCESSOR — Reporting at the White House for a conference with President Eisenhower, C. Douglas Dillon, ambassador to France, is mentioned as a likely successor to Herbert Hoover Jr., as Undersecretary of State. Secretary of State Dulles (right), is conferring with Hoover, who wants to re-enter private business.

Student Wins \$150 Award From Masons

Donald Lee Trask, senior geology major, has been awarded a \$150 scholarship by the Order of the Amaranth of the State of California, a Masonic organization.

The scholarship was donated by Mrs. Elizabeth Kemp and will be awarded in three \$50 payments, one in December, one in January, and one in February.

All seniors of Masonic background were eligible for the award. Scholarship and integrity of character were also considered. Donald was chaplain of the DeMolay while attending high school in Peru, Indiana. His mother is in Eastern Star.

Home Ec Displays Gift Decorations

Gift Wrapping is the timely theme of a display arranged by Mrs. Virginia Tindall, graduate home economics major, in the upstairs of the Home Economics Building.

Directed at the seventh grade level, the wrappings should stimulate students to experiment with materials around the home for unusual gift wrappings.

Professor To Discuss 'Astronomy Advances'

Dr. R. N. Bracewell, a Stanford University associate professor of electrical engineering, will address the San Jose State student branch of Institute of Radio Engineers tomorrow night at 7:30 o'clock in E 118.

"Recent Advances in Radio Astronomy" will be Dr. Bracewell's topic, considered timely in view of the coming International Geophysical Year of 1957-58, according to Bill Fowler, chairman of the student branch.

Dr. Bracewell will discuss recent advances in radio astronomy, especially mentioning the discovery of radiofrequency radiation from Jupiter and Venus. He also will discuss Stanford's solar radio astronomy program.

Graduating with a B.S. in math and physics from the University of Sidney, the Australian-born engineer was engaged in microwave radar work at the Radiophysics Laboratory in Sidney.

From 1946 to 1949, Dr. Bracewell conducted ionospheric research at Cavendish Laboratory in England and during this period he received his Ph.D. degree from Cambridge.

Dr. Bracewell has been a mem-

Seniors To Apply Now for Bus. 169

Senior business majors interning taking Bus. 169, Business Internship during Spring Semester, should get an application blank from the Business Division office, Room 137A, according to Dr. M. D. Wright, chairman of the Division.

All applications must be filed by Dec. 20.

ber of the faculty at Stanford for approximately one year. Prior to this he was a visiting professor under the Fulbright scheme in the Berkeley Astronomical Department.

Chairman Fowler invited all interested persons to the meeting and said that membership in IRE is not required for admittance.

Five Profs Attend Electric Workshop

Five members of the home economics faculty attended the Pacific Coast Electrical Assn. Equipment Workshop held Thursday afternoon at Los Gatos Union High School.

Dr. Margaret C. Jones, SJS home economics department head, and faculty members Miss Katherine Young, Miss Maie Nygren, Miss Maxalene Altman and Mrs. Fern Wendt observed demonstrations of the electrical equipment, highlighting the electronics range.

Police Majors Teach Scouts

Six members of the SJS police school gave weapons demonstrations and range instructions to approximately 20 Boy Scouts yesterday afternoon, according to Orv Butts, lieutenant of liaison.

Led by assistant chief Don Tamm the men demonstrated defense shooting using the quick draw of plain clothes men and the FBI and police school stances. Demonstrations also were staged with a riot gun and 30-30 carbine.

Others participating in the event were Butts, Lt. Dick Fredricksen, sergeants Gerald Fiske, James Loeffel and patrolman Jack Norton.

Jewish Hillel Meets Tonight

A discussion on immortality in the Bible and Talmud will be presented by Rabbi Gerald Raiskin, Temple Shalom, San Mateo, at the meeting of B'nai B'rith Hillel Foundation tonight at 8 o'clock in the Student Y.

Rabbi Raiskin will include the Bridey Murphy story on word and record in the discussion. Opportunity for participation in the presentation will be given to those attending. A social hour with dancing and refreshments will conclude the evening meeting.

Prof To Speak To Honor Frat

Dr. Frank B. Ebersole, SJS assistant professor of philosophy on sabbatical leave at Stanford University, will discuss the "Duty of a Philosopher" with members of Tau Delta Phi, Tower honorary fraternity, at 7:30 p.m. Wednesday.

Dr. Ebersole received his A.B. and B.S. degrees at Heidelberg, his B.D. from Yale University, and his Ph.D. from the University of Chicago.

O.T. Workshop

The Occupational Therapy Club will conduct a craft workshop tomorrow at 7 p.m. in B 72, according to Jan Kilgore, publicity chairman. Unfamiliar and unusual chapter houses, 5:30-8 p.m.

Those attending must bring their own equipment. A list of necessary equipment is posted on the bulletin board in B 72.

A La Torre photographer will take pictures at the meeting.

MEETINGS

Black Masque has cancelled its plans for the AWS Christmas party.

Christian Science Organization will hold its regular testimonial meeting Tuesday at 7:30 p.m. in the Chapel.

Institute of Radio Engineers, Student Branch, will meet Tuesday at 7:30 p.m. in E118.

MENC will meet tonight at 7 o'clock in M248.

National Science Teachers Association will hear a talk by Frank Fiscallini, superintendent of East School District, at a meeting Thursday at 7:30 p.m. in S22.

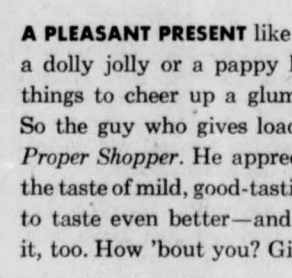

Pre-Medical Society will meet tonight at 7:30 o'clock in the Student Union.

Tri-Sigma will meet Tuesday at 2:30 p.m. in the Student Union.

Women's Athletic Association asks all members to check the Women's Gym bulletin board for information on nomination and election of officers.

Phi Kappa Phi is open to students and scholars in all areas of learning.

Sticklers!

WHAT IS A GUY WHO GIVES LOADS OF LUCKIES FOR CHRISTMAS?
(SEE PARAGRAPH BELOW)

A PLEASANT PRESENT like cartons of Luckies can make a dolly jolly or a pappy happy. And they're just the things to cheer up a glum chum or a gloomy roomie. So the guy who gives loads of Luckies, of course, is a Proper Shopper. He appreciates Luckies' better taste—the taste of mild, good-tasting tobacco that's TOASTED to taste even better—and he knows others appreciate it, too. How 'bout you? Give loads of Luckies yourself!

STUDENTS! MAKE \$25

Do you like to shirk work? Here's some easy money—start Stickling! We'll pay \$25 for every Stickler we print—and for hundreds more that never get used. Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send your Sticklers with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

Luckies Taste Better CLEANER, FRESHER, SMOOTHER!
